

Meet Your Laser Technician

Stephanie Cwik

Why I Became a Technician

"I have always been interested in cosmetics and skin care. As an adult, I have struggled with acne and acne scarring. I feel that Dermatology is the best fit for me because of my own struggle with my skin. By being able to provide cosmetic services, I am able to make patients feel better in their own skin and it makes me feel proud to do so."

Certifications:

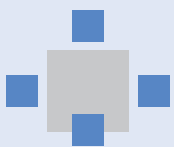

Cutera Xeo Laser, Cutera Excel HR Laser

Christie Clinic Radiance Cosmetic Center

As a Laser Technician at the Radiance Cosmetic Center, Stephanie conducts private skin consultations, educates clients on skin care procedures and products, and performs laser treatments for patients.

When not working, Stephanie enjoys spending quality time with family, watching movies, and participating in outdoor activities.

I take a lot of pride in all that I do and I am very passionate about the relationships that I build. I want to do my job to the best of my ability and I want my patients to be pleased with the outcome.

CHRISTIE CLINIC

We listen. We care.
